

Guidelines on Publications for the Completion of Graduate Programs

This publication requirement applies to all graduate students enrolled in the academic year 2021 onwards.

1. Publication Requirements for Graduation

Table 1: Publication requirements for graduation as the following details below:

Program	Doctoral Degree	
	Type 1	Type 2
Field of Study		
Field of Science and Technology	<p>Require 3 publications are following</p> <p>2 publications (in an international journal)*</p> <p>and</p> <p>1 publication (others)*** or higher</p>	<p>Require 2 publications are following</p> <p>1 publication (in an international journal)*</p> <p>and</p> <p>1 publication (others)*** or higher</p>
Field of Humanities and Social Sciences	<p>Require 2 publications are following</p> <p>1 publication (in an international journal)*</p> <p>and</p> <p>1 publication (in national journal)** or higher</p>	<p>Require 1 publication is following</p> <p>1 publication (in an international journal)*</p>

Program	Master's Degree	
	A1	A2 and B
Field of Study		
Field of Science and Technology	Require 1 publication is following 1 publication (in national journal)** or higher	Require 1 publication is following 1 publication (in an international journal)* or 1 publication (in national journal TCI database Group 1 and 2) or 1 publication (in an international conference) or 1 publication (in national conference)
Field of Humanities and Social Sciences		

Remark

* Listed in the Scopus and ERIC database

** Listed in the TCI database Group 1

***Others are including: A) academic national conference B) academic international conference C) national journal whether listed in TCI database or not D) international journal in any journal databases

Table 2: Classification of doctoral degree programs by field of studies as detailed below:

Field of Science and Technology	Field of Humanities and Social Sciences
Faculty of Technical Education - Doctor of Engineering Program in Mechatronics Engineering (International Program)	Faculty of Technical Education - Doctor of Science in Technical Education Program in Vocational Education
Faculty of Engineering -Doctor of Engineering Program in Energy and Materials Engineering - Doctor of Engineering Program in Electrical Engineering - Doctor of Philosophy Program in Engineering	Faculty of Business Administration - Doctor of Philosophy Program in Business Administration Faculty of Liberal Arts - Doctor of Philosophy Program in Environmental Social Sciences and Sustainable Development
Faculty of Mass Communication Technology	

<p>- Doctor of Philosophy Program in Color Technology and Design</p> <p>Faculty of Science and Technology</p> <p>- Doctor of Philosophy Program in Applied Chemistry</p> <p>- Doctor of Philosophy Program in Materials Technology and Innovation</p>	
--	--

Table 3: Classification of master’s degree programs by field of studies as detailed below:

Field of Science and Technology	Field of Humanities and Social Sciences
<p>Faculty of Technical Education</p> <p>- Master of Engineering Program in Mechatronics Engineering (International Program)</p> <p>Faculty of Technical Education</p> <p>- Master of Engineering Program in Civil Engineering</p> <p>- Master of Engineering Program in Electrical Engineering</p> <p>- Master of Engineering Program in Mechanical Engineering</p> <p>- Master of Engineering Program in Industrial and Manufacturing Engineering</p> <p>- Master of Engineering Program in Chemical Engineering</p> <p>- Master of Engineering Program in Materials Engineering</p> <p>- Master of Engineering Program in Agricultural Machinery Engineering</p> <p>Faculty of Mass Communication Technology</p> <p>- Master of Science Program in Color Technology and Design</p> <p>Faculty of Science and Technology</p> <p>- Master of Science Program in Applied Chemistry</p> <p>- Master of Science Program in Applied Biology</p> <p>- Master of Science Program in Data and Information Science</p> <p>- Master of Science Program in Materials Technology and Innovation</p> <p>Faculty of Agricultural Technology</p> <p>- Master of Science Program in Agricultural Innovation and Technology</p>	<p>Faculty of Technical Education</p> <p>- Master of Education Program in Curriculum and Learning Management Innovation</p> <p>- Master of Education Program in Learning Technology and Innovation</p> <p>- Master of Education Program in Educational Administration</p> <p>Faculty of Business Administration</p> <p>- Master of Business Administration (MBA)</p> <p>Faculty of Fine and Applied Arts</p> <p>- Master of Fine Arts Program in Arts and Design</p> <p>- Master of Education Program in Performing Arts Education</p> <p>Faculty of Liberal Arts</p> <p>- Master of Arts Program in English For Career Development</p> <p>- Master of Arts Program in Public Management Innovation</p>

<p>Faculty of Home Economics Technology - Master of Home Economics Program in Home Economics Technology</p> <p>Faculty of Integrative Medicine - Master of Science Program in Complementary and Alternative Medicine (International Program)</p>	
--	--

2. Academic Journal/Conference Publication Requirements

2.1 Academic Conference Publication Requirements

- Full paper has been accepted for publication in academic conference proceedings.
- At least 25 percent of the external committee or external editorial board/ conference committees of the conference.
- At least 25 percent of the published full paper from the external institution of the conference.
- Full papers published from external host institution at least 3 institutions.
- The research article publication with the student's name as the **first author** and the advisor's name as the **co-author** and at least one article must have the advisor's name as the **corresponding author**.
- If an email address is required in the research article, **only use the university's email address**.
- In the research article for completion of graduate degree programs, specify the student's address by the department specification or division or faculty or college or office affiliated in Rajamangala University of Technology Thanyaburi by following the format below:

Department/Division/Faculty/College/office/Center/Rajamangala University of Technology Thanyaburi, Pathum Thani 12110, Thailand

Example 1

Educational Administration Division, Faculty of Technical Education, Rajamangala University of Technology Thanyaburi, Pathum Thani 12110, Thailand

Example 2

Faculty of Integrative Medicine, Rajamangala University of Technology Thanyaburi, Pathum Thani 12110, Thailand

Example 3

Office of Graduate Studies, Rajamangala University of Technology Thanyaburi, Pathum Thani 12110, Thailand

2.1.1 Academic Conference Publication for Submitting a Request for Graduation

The students who have full paper published in academic conferences are required to submit their documents as follows:

- **A copy of proceedings containing:**
 - Pages of published full paper.
 - Front cover and inside front cover.
 - List of editorial board/conference committees or a conference organizing committee.
 - Table of contents that indicate the title of the published full paper.
- **For online-published full paper, student must print out the documents as follows:**

- Pages of published full paper.
- Date of publication.
- Academic conference organization.
- List of editorial board/conference committee.

2.2 Academic Journal Publication Requirements

- The research article publication with the student's name as the **first author** and the advisor's name as the **co-author** and at least one article must have advisor's name as the **corresponding author**.
- If an email address is required in the research article, **only use the university's email address**.
- The format of the research articles published shall be in accordance with the format of the published journals.

2.2.1 Academic Journal Publication for Submitting a Request for Graduation

2.2.1.1 Published Article

The students who have full paper published in academic journal are required to submit their documents as follows:

- **A copy of academic journal containing:**
 - Full paper of published full paper.
 - Front cover and inside front cover.
 - List of editorial board/conference committees or a conference organizing committee.
- **For online-published full paper, student must print out the documents as follows:**
 - Pages of published full paper.
 - Date of publication.
 - Academic journal organization.
 - List of editorial board/conference committee.

2.2.1.2 In press Article

The students who have article in press in academic journal are required to submit their documents as follows:

- Acceptance letter must specify a DOI number.
- Manuscript.
- Front cover and inside front cover of current issue.
